

This Official Consent made on 3/29, 2022 by Andy Moore  
(Consenter) who consents to the following:

I am allowing CSwap to go through the focus group process and record my responses to their artifacts and scripts. Our responses can be written down, however there will not be video or audio recording. We will answer all reasonable questions having to do with the project.

This Official Consent made on 3/29, 2022 by Bob Ferris (Consenter)  
who consents to the following:

I am allowing CSwap to go through the focus group process and record my responses to their artifacts and scripts. Our responses can be written down, however there will not be video or audio recording. We will answer all reasonable questions having to do with the project.

This Official Consent made on 3/39, 2022 by Dog (Consenter) who consents to the following:

I am allowing CSwap to go through the focus group process and record my responses to their artifacts and scripts. Our responses can be written down, however there will not be video or audio recording. We will answer all reasonable questions having to do with the project.

This Official Consent made on 30/3, 2022 by Owen Walsh (Consenter) who consents to the following:

I am allowing CSwap to go through the focus group process and record my responses to their artifacts and scripts. Our responses can be written down, however there will not be video or audio recording. We will answer all reasonable questions having to do with the project.
